Astroblast LIVE was an amazing time for athletes and coaches alike this past weekend. PAVC and PAJV performed outstanding routines. JV captured the state title with a score of 70.1! The coaches are really proud of the team for pushing through all their adversity to come together and make the day's goal a reality.

PAVC performed in the morning session in front of an amazing crowd to hit a solid routine - the best of the season thus far. The whole gym was on its feet in support of the routine the team put on the floor.

## **Wrestling:**

Four Astros wrestlers qualified for the NH Meet of Champions all-state wrestling tournament, and four Astros placed. Leading the way for the Astros was senior captain Jack MacKiernan, capturing the All-State championship at 170 lbs. Also finishing their seasons on the all-state podium were junior captain Mikey Follo (6th), junior Cam McMahon (6th) and sophomore Anthony Borbone (5th).

Jack will head to Providence this weekend to finish his quest for a New England championship, and close out his February break!

## **Athletes of the Week:**

Lorenzo Corsetto  
Boys Ice Hockey  
Junior

Corsetto has constantly worked hard every game and it was due to his hard forecheck that forced a Londonderry turnover which he scored on en route to a Pinkerton victory on Wednesday.

Kelsey Dionne  
Winter Spirit  
Freshman

Dionne is a main base and side base throughout the routine throwing the majority of the elite tumbling skills for the team as a freshman. She is in the most difficult part of the pyramid and tackles every piece of her assigned routine with ease. She displays heart and passion at every practice working harder than the day before.
