PAVC won its 31st state championship on Thursday night with an incredible performance. In coach McCarty's eyes the execution and timing was as good as she had seen a team in all her years as head coach. The team had only 3 days from the preliminary round to the state meet to implement suggestions and corrections from the judges. The team earned a score of 105.2. The routine per coaches calculations is a 104-105 routine raw score. PAVC hit the skills flawlessly and had the huge sea of red on their feet. The team heads to New England's this Saturday to take on the best of DI in the region!

Athletes of the Week:

Sara DiClemente

Winter Spirit

Freshman

DiClemente helped the team win its 31st state title on Thursday by putting her big routine together perfectly for the Astros. She helped to carry the tumbling score throwing 2 elite passes. She wears many hats throughout the 3 minutes, starting the routine as a backspot, then moving to a sidebase position in our elite stunt and finally acting as a main base in the pyramid. Sara's determination was a driving factor behind this state championship for her team.
