5/28/22

The calm before the storm often brings out the measure of a man. The apprehension of the unknown as warriors prepare to battle. As the Pinkerton Boys Junior Varsity Lacrosse team geared up to engage in such a contest during a humid and hazy late spring Saturday morning on the unforgiving fields of Londonderry High School, the tension could be felt throughout the program. At 9 am, the hounds were released to begin the 2022 JV High School Boys Lacrosse Tournament, an epic battle of 6 games in one day to determine who would hold the trophy above their heads and who would hang their heads until the beginning of the 2023 season.

It began as the 2 seeded Astros took on the 1 seeded Exeter Blue Hawks, one of the only NH teams to defeat the Astros this season. A back and forth battle kept this game close until the final few minutes of play. With team captain Cody Santomassimo leading the charge, scoring 4 goals, the Astros claimed a revenge victory with an 8 to 5 final score. Kyle Ushkevich added 2 goals, while Adam Scala and LSM Brayden Berry contributed a goal. The face-off combination of Zach Baker and Alex Tsetseranos helped the team control possessions and force the Hawks to chase the lead. The defensive stalwarts, Captain Alec Henry, Jacob Noe, Gavin Cronin, Ronan

Connors, Jack Tresh, and Alex Garone combined with goalies Matthew Snodgrass and Dawson “Moose” Fenner, sealed the victory while fighting back the offensive attacks of a desperate Hawks team.

With only a 10-minute rest period between games, the Astros were forced to march from the Middle School field to the High School field to take on our arch rival Lancers without an opportunity to recover from the initial battles. The heroes of this melee had changed as the well-rested Lancers only allowed 6 goals while scoring 1. Anthony “AJ” Muncey crept into the offensive crease to put the game away in the second half after Scala and fellow attackman Cole Summers placed two each past the goalkeeper. Ushkevich was able to power a strong step-down shot past the outstretched legs of the Lancer keeper for a statement goal that told the tourney participants that the dawn of reckoning was upon them. The everpresent “Moose” held the Lancers to 1 goal with the help of defenseman Brodan Kimbark, Ben Crane, and lacrosse newcomer Mohamed Mousa.

Round 3 found the Astros force-marched back to the Middle School field with no rest to take on the Bedford Bulldogs in a battle to determine seeding into the playoff round. Both teams came into the contest at 2 wins and 0 losses. The teams went back and forth, tit for tat, a goal for a goal during the 30-minute contest, ending in a 5 to 5 tie. The rules of the tournament were that ties ended in both teams receiving a point and then going to the total points scored throughout to determine the first seed. Although this would have guaranteed that the Astros were the first seed.....we all know the saying about ending a battle with a tie! The tourney powers that be allowed for a 4-minute sudden-death overtime period between the combatants to determine a truly earned first seed. In the first two minutes of the period, Adam Scala took advantage of a matchup from the X position and using his leverage against a much bigger defender, put the ball past the keeper for the win.

In playoff battle number one, the Astros saw their scoring prowess blossom as the rest of the offensive personnel took turns scoring against the 4th seeded Londonderry Lancers. Jimmy Erickson, Cole Mackin, Gavin Ward, Scala, and Landon DePalma each had a goal. Summers, Santomassimo, and crease threat AJ Muncey each threw in two goals. All-purpose player Ryan McMahon helped open up the threats and feed the offense. The defensive team of Crane, Kimbark, Garone, Mousa, Tresh, Connors, and “Moose”, kept the Lancers hoping to perform better, but getting stopped short.

On the threshold of history, the young Astros were to, as destined, take on the Bedford Bulldogs for the right to be crowned champions. Knowing that it would be another closely contested

match-up unless the warriors of Pinkerton Academy came out hard, fighting through exhaustion and on the verge of dehydration, the team threw themselves into action right from the opening whistle. Tournament MVP Cody Santomassimo could not be stopped, no matter what the Bedford D did to him. Taking on double and triple teams after surviving two blows to the back and head, Cody carved through the defense and put in 5 goals past the frustrated keeper. Stellar attackman Adam Scala added two goals pushing beyond GLE while Cole squared (Summers and Mackin) each put in a goal. The combined effort at goal between Fenner and Snodgrass, along with the hard-working defensive contingent, secured a 10 to 2 victory that was never in question. As the clock struck zero and the final horn blew, the Junior Varsity Boys Lacrosse team took home the trophy and an undefeated road to the tournament title.

### **Freshman:**

5/26/22

It was a glorious late afternoon at Memorial Field on Thursday June 26th as the Pinkerton Freshman Boys Lacrosse team looked to close out on a successful spring campaign with a perfect season. Their challenger was a familiar foe in that of the Exeter Blue Hawks. The Astros were facing some adversity due to injury and poor decision making on behalf of select members of the team. The team normally playing with 21, started the afternoon with 15 warriors ready to battle. As had been the philosophy all year long the team rose to the occasion with the next man up philosophy really coming together as a team. It was the Astros that struck first in the contest on a Zach Baker launch to the net. A tough Exeter squad fought back though and put up two quick ones forcing the young Astro squad to face a deficit for the first time all season. Pinkerton did not trail for long though as Baker found attackman Jesse Sag (1 G, 1A) for the equalizer. From there the Astros looked to storm ahead as Baker added his second on the day to carry PA to the end of the first quarter. It would be Baker again with two more in the second to keep the Astros on pace to a one goal lead as Exeter kept seeming to have the response each time the team went up. At the half the Astros only led by a goal, but had seen some great defensive contributions from Hunter LaCroix, Alex Hopley, Mohamed Mousa, Mason Castro, Cam Carleton, Jake Morrow, Ethan Douglas, Don Cote, and Kaedon Cashman. Baker was sensational in the faceoff circle winning 10 of 11 faceoffs on the day, while teammate Branden Walsh went 2 for 5. The Astros playing with a lead heading into the second knew by slowing things down the rest would take care of itself. Following up a great battle in the first half, the Astros struck early on Baker's (5 G, 2A) fifth and final goal on the day to carry a 7-5 lead into the fourth. In the 4th the Astros were tested once again as they were called for an illegal equipment 3:00 min locked in penalty to start the quarter. This proved to be the turning point in the game with Cody Dumont coming up big in net when the team needed him most, making a game-defining save, one of seven on the day, and retaining possession for the Astros who were able to hold the ball for 2+ min until the penalty ran out. The Astros got back to their bread and butter working the ball around seeing shots from Chaz Benyik, Phoenix Bealieu (1A), Mo Mousa (1G), Branden Walsh (1G, 1A), and

Collin Fortini pouring the pressure on. Branden Walsh would score on a great feed from Sag out front which would prove to be the game winner. To add some insurance and cap off the undefeated season Mo Mousa added his first on the season with a rocket from 10 yards out. Pinkerton won the contest by a final score of 8-6. The Freshman squad started the year with many unknowns, but ultimately through trials and tribulations stuck together growing as a team rallying to cap off a phenomenal 8-0 season. All told, the Astros outscored their opponents 71-32 throughout their contests. As their coach I just want to once again say congratulations to all of the young men for their hard work this season, and with this group's effort the future of Pinkerton Lacrosse is very bright. Thank you to all the families, friends, PA coaching staff, and Pinkerton community for helping to make this season a success. Final Team Record 8-0.
